BRITISH THROW LINES STRETCHING 3 MILES ACROSS BENDITGRIS

THE NORWEGIAN MOTOR SHIP
"WEST" ONLY VESSEL REPORT.
ED SUNK BY GERMAN SUBMARINE—GENERAL LULL.

While the British activities in the direction of Bapaume have somewhat slackened, there has been a decided increase of operations in other zones. The London war office announced an important British success in Mesopotamia where a line three miles long has been established across the Benditgris river west of Kut-el-Amara, which completes the hemming in of the Turkish forces.

The Teutonic soldiers have taken the offensive in Macedonia capturing an important Entente position according to recent reports from Berlin. Nearly one hundred Italians were taken prisoners. The Austro-German forces repulsed Russian attacks in Galicia and farther south along the Moldavian frontier, capturing several Russian positions near Vale Putna. The Norwegian motor ship, West, is the only vessel reported submerged today.

TWO BRITISH LINERS REACH NEW YORK CITY IN SAFETY

NEW YORK, Feb. 13.—Two British passenger liners, The Laconia from Liverpool, and the Asconia from London arrived in port today. They reported passing the submarine zone without being stopped. The passengers aboard the Asconia said it was rumored in London that the German raider, Moeve, had been taken by a British vessel.

JOHNNY JONES SHOW COMING FEBRUARY 26

Manning B. Pletz, special advance agent for the Johnny Jones shows, is in the city today in the interests of his company, and makes the announcement that Johnny Jones will be here in full force for a week beginning February 26.

The show, to which \$35,000 in new attractions has been added since its last annual visit to Daytona, will again be held on City Island. Among the new features, Mr. Pletz spoke especially of the annual show, which has some of the finest trained beasts in the country, the "Whirling Waves," a new entertainment, which is a source of much joy and pleasure to those attending it, the new \$15,000 merry-go-round.

In all there will be 18 attractions to the Johnny Jones aggregation, 15 shows and three "rides." The show is of such size this year that 24 steel railroad cars are necessary for moving it from city to city.

Mr. Pletz is particularly proud of the cleanliness and high moral standard, which he believes are embodied in his company's shows this year.

WHITE STAR LINER SUNK

LONDON, Feb. 12.—Lloyd's announced the White Star liner, Mrs. of 13,999 tons, sunk. Part of the crew were safely landed. She was last reported leaving Cape Town December 3rd.

It isn't the biggest advertisement that gets the most business, but it is the advertisement that says something worth knowing about goods that are worth buying.

U.S. PROBABLY NOT TO CONSIDER TREATY

WASHINGTON, Feb. 13.—Indications are that the German proposal to reaffirm the Prussian-American treaties of 1799 and 1828 will be rejected by the United States. This course is believed probable since the United States' flat rejection of the Teutonic proposal to discuss difficulties without halting the submarine campaign.

THE NEUTRAL POWERS TO CARE FOR BELGIANS

NEW YORK, Feb. 13.—Herbert O. Hoover, chairman of the American commission of Belgium relief, declared that no immediate hardship would result from the withdrawal of Americans serving the institution. The ten million persons being fed by the relief committee will still receive their rations due to the fact that preparations have been completed to turn Belgian interests over to other neutral organizations.

SHELL SPLINTER INJURES AN AMERICAN FIREMAN

QUEENSTOWN, Feb. 13.—James Weygard, one of the three American firemen aboard the British steamer, Saxonia, when she was submerged last Wednesday was reported injured by a shell splinter. He is receiving medical attention here.

UNITED STATES MAY CALL CONFERENCE OF NEUTRALS

WASHINGTON, Feb. 13.—Among the steps considered by the United States as a result of the submarine situation are: the proposed conference of neutral powers, loaning guns for arming American merchantmen, and a reply to Mexico's proposal to embargo all food and munitions to the belligerents.

TREE EXPERT IN CITY FROM JACKSONVILLE

W. H. Norris, tree expert, is in Daytona for a stay of some time, probably several weeks. Mr. Norris, whose home is in Jacksonville, came to Daytona Monday and expects to be joined later by Mrs. Norris. Mr. Norris has previously done work at Orlando and expects to visit that town and other nearby places while in this city. He is thoroughly acquainted with tree surgery and has numerous recommendations from prominent citizens of Florida and other states, as to his efficiency and reliability. There is a large and growing need for a tree expert in Daytona which is noted for the beauty of its trees, as they should be given proper care and attention for their preservation. Also, many trees are being planted by whom residents in Daytona and vicinity and these people would often like the advice and assistance of an expert in high care and cultivation.

COLDEST DAY IN NEW YORK CITY IN OVER THREE YEARS

NEW YORK, Feb. 13.—This is New York's coldest day in exactly three years. The temperature dropped officially to the zero mark which is the first time since February thirteenth, 1914. It is understood the poor are suffering severely from a lack of fuel and many charitable societies are busy distributing clothes and coal throughout the slums.

Beauty and Chivalry Dance With Best People on Earth

Resplendent with myriads of lights, gay with throngs of richly dressed people, charming with the hospitality known only by the Best People on Earth, the seventh annual ball of the Daytona Lodge of Elks, was held in the Casino Burgoyne on Monday evening.

Long before the scheduled time for the festivities to begin, lines of motor cars made their way to the Casino, depositing their occupants at the entrance.

It was the most brilliant social event ever given in Daytona, representative people of the triple cities and De Land, being in attendance.

The decorations were very beautiful and artistic, a delightful combining of purple and white, the bills, covers and the patriotic red, white and blue. Each box was draped with purple and white bunting, surmounted with a flag pendant, flags, fan fashion, shields and butterflies, decorated the walls. At the extreme of the hall a ten piece orchestra seated upon a platform, furnished entrancing music for dancing. At the alcove in the center of the main entrance a work of art was displayed in the arrangement of the flowers and shrubs, which relief was especially beautiful when the lights were thrown. Here the box of the officers of the Elks, was placed, the other boxes containing the two hundred and fifty guests. The sides of the hall, purple and white, lanterns were suspended from the ceiling, creating a beautiful effect.

At 8:30 a concert program was given, consisting of a chorus, solo, vocal quartet, and a solo by Miss Evelyn Smith and Miss Anna B. Bell.

VILLA TAKES BORDER TOWN OF PALOMAS

COLUMBUS, N. Mex., Feb. 13.—The occupation of Palomas, Mexico, six miles south of here, by Villa forces is interpreted as a political rather than a military move. American officers do not anticipate a border attack. It is said that if the Villa forces remain undisturbed other border towns will be seized.

1,200 PASSENGERS TO SAIL WITH BERNSTORFF

NEW YORK, Feb. 13.—About 1,200 passengers are booked to sail tomorrow on the Scandinavian liner, Frederick VIII, which is to convey Ambassador von Bernstorff and his suite with assurances of safety from all submarines.

BUYS HANDSOME LOT: WILL BUILD A HOME

George H. Foote purchased today, through R. L. Smith and company, a handsome lot on North Ridgewood avenue, the purchase being made from Frank J. Nelson, who but recently bought the property. Mr. Foote plans to erect a handsome home on the lot in the near future. This is the last large lot on Ridgewood avenue, between Bay street and Loomis avenue and is in an excellent location. The lot has a frontage on Ridgewood avenue of 119 feet and is 296 feet in depth, extending to First street.

UNCLE SAM OFFERS CUBANS 5,000 RIFLES AND SHELLS

HAVANA, Feb. 13.—It has been officially announced that the United States offered 5,000 rifles and 5,000,000 cartridges to the Cuban government. An encounter occurred at Matanzas province between the government troops and the rebels. The rebels were repulsed.

Mr. and Mrs. J. C. Starnes of Hillsboro, O. are pleasantly domiciled in one of the Princess Isolina cottages for the remainder of the season.

BERLIN FOOD CRISIS SERIOUS, AMERICAN REFUGEES DECLARE

POULTRY SELLING \$1 PER POUND.
—ONLY RICH CAN AFFORD PORK AND MUTTON—POOR SUFFER SEVERELY.

BERNE, Feb. 13.—Americans arriving with Ambassador Gerard are congratulating themselves that they have escaped the serious German food crisis. It is said that meat is so scarce in Berlin that the customers keep in touch with all butchers so they may know when the next meat supply will be placed on sale. While the rich are able to get along on pork and mutton at fifty to seventy-five cents per pound, poultry being as high as a dollar sixty a pound, the poor are undoubtedly suffering severely. Their food is confined to bread, potatoes, turnips and low grade marmalade. The physicians declare that the children of the nation are evidently under nourished.

ROTTERDAM, Feb. 13.—Two Americans who arrived here since the break between the United States and Germany have been in the latter country a little over a year and each has lost thirty pounds in weight.

Theodore Wurslin, an engineer living in Jamaica, N. Y., stated that the Teuton workmen were tired but determined to hold out. Many are earning good wages, yet they are forced to spend every cent upon food. Another New York man who came from Frankfurt said the food situation there was exceedingly serious and told many harrowing stories of suffering among the poorer classes. Both Americans stated that the diplomatic break had caused very little excitement and United States citizens were being excellently treated.

GETS \$10 FINE FOR FIGHTING

In city police court this morning, Joseph Freeze, who conducts a restaurant on Volusia avenue near the depot, was fined \$10 by Judge H. T. Titus for disorderly conduct by fighting.

The complaint was entered by W. P. Beards, of the Northern Marker, Beach street, a well known Daytona business man, who first made his statement to the judge, telling how he had gone to the Freeze place to collect a past due bill and how he had been insulted and assaulted by Freeze, when he ordered Mr. Beards out of the restaurant. The complainant also said that he was hit in the face by Freeze before he left the lunch room.

In making his own statement Freeze said that Mr. Beards had been in the custom of entering the lunch room and demanding money of Mrs. Freeze for bills due to him, while the place was filled with people. He admitted that he had struck the other man and was accordingly fined \$10.00 by the judge.

Mr. and Mrs. Menbaugh and children, Marion and Percy and Miss Ida Menbaugh, and a cousin of Mrs. Menbaugh, arrived Friday from Akron, Ohio. Mr. Menbaugh is an architect and builder and has come to Daytona with the idea of locating here permanently. Mr. Menbaugh and family are friends and former neighbors in Akron of Henry Warner and family, of this city.

Ernest Dub has returned from a brief business trip to Buffalo and has again joined Mrs. Dub at Schmidt's hotel for the season.

At one of our most exclusive rinks these children recently appeared clad in Scotch plaid kilts, brushed wool sweaters and fur caps gaudy with wool pompons in front. The small one, however, wears a warmly lined coat of old rose broad cloth, a fox cap and leather leggings over her small boots.

Hand embroidery in silk floss and metal thread will be extensively used on dresses of chambray, crepe, satin and silk jersey.

Latest silks and cottons for early sports wear answer the general demand of sports styles that they should be bright and unique beyond all expectations. The annals of applied design

have been searched for odd combinations of color and line. Now the Algonquin Indian designs have come to the front, together with Scotch plaids, Paisley and the color groupings of Bakst and Utrou. Surely sports clothes will not lack for novelty from this array of inspirations.

Sleeves in suit and topcoats have a slight fullness much too small to make them leg of mutton shape, yet large enough to separate them from the coat sleeve type.

A lattice effect of rich wide pale blue ribbon on a patterned suit of pink means some of the exquisite combinations of color and line selected by a Paris designer.

VICTROLA RECITAL VERY WELL ATTENDED

In the sun parlor, lobby and dining room at the Islington, ablaze with golden sunlight, and decorated most artistically with American flags, festoons and potted plants, W. L. Bowler of Cleveland, entertained a large gathering of people with a charming Victrola concert. The program, delighted shades with selections of heavy and light opera, soul stirring and and soothing numbers were encored many times. Miss Stickney in her quaint and fascinating way recited several very fine numbers. Mrs. Fred J. Niver was thoroughly enjoyed, who, in her charming way narrated pretty word stories to the delight of her hearers.

The proceeds of the recital will be devoted to the St. Mary's church fund.

The Albert Spalding recital at the New Daytona theatre tonight promises to be the gala society event of a season that has been full of good things. A number of our citizens will entertain parties of friends, musicians will attend en masse, the ushers will be prominent young ladies of the Music department of the Palmetto club, under whose auspices the concert occurs and local society will be augmented by large delegations from Orlando, New Smyrna, Alandale and De Land.

There is every indication that the theatre will be entirely sold out as the merit of the affair deserves.

Dr. and Mrs. William M. Morgan, who have been spending the winter with Mrs. Morgan's parents, Mr. and Mrs. Theodore Songstak at their beautiful winter home overlooking the Halifax, departed Monday for a trip to Havana, Jamaica, Panama and the West Indian Islands, joining a Raymond and Whitcomb touring party. They will be away about three weeks. The Morgan children have remained with their grandparents until the return of father and mother.

ALBERT SPALDING.

It is doubtful if there is a musician today more interested in American music than Albert Spalding, the famous violinist, who will be heard for the first time in this city at the New Daytona theatre tonight. While it is true that Spalding is an American, he has been brought up in Europe and it would not be strange if his ideas regarding music were of an European standard. But this is not the case. Naturally he looks to Europe for the master works, but he fully believes that the time will come when Europe will turn its eyes westward for music of modern culture. America is a new country, musically, he argues, and as soon as our commercial booms die down and we get bordering the artistic, he looks for a new and great style of music to develop. Whenever this opportunity presents itself he always honors some American composer with his work. Naturally he has to be very careful, for both public and critics are strange folks, and do not hesitate to air their critical opinions regarding both composer and artist. But America is the land, not only of his birth, but his fondest hopes, and even during his stay abroad, he never fails to sing her praises into the ears of everyone present.

Mr. Spalding will be assisted in his concert here by Loretta Del Valle, the brilliant young American coloratura soprano, who has been duplicating on her first concert tour of America—her remarkable successes won on the Grand Opera and Concert stages of Europe. She has an unusually high, clear soprano voice noted for its bell like clarity and purity. Andre Benoist will play accompaniments for both artists.

"SAVING THE FAMILY NAME"—ARCADE

The Smalleys, who have contributed so much to the success of Bluebird Photoplays, will present another of their productions at the Arcade theatre Wednesday under the title of "Saving the Family Name". Mary MacLaren, pleasantly and sympathetically recalled as the heroine of "Shoes" will be the star and Phillips Smalley will be her leading man in an interesting story of theatrical life, in which the stage as a topic, is pictorially discussed from an entirely new angle. "Saving the Family Name" will be the Smalleys' sixth contribution to the Bluebird series, their previous works being "Hop, the Devil's Brew," in which both Mr. and Mrs. Smalley acted; "The Eye of God," in which Miss Weber was Tyrone Power's leading lady; "The Flirt," with Marie Walcamp the star; "John Needham's Double," featuring Tyrone Power, and the most recent Smalley success, "Shoes," in which Mary MacLaren was advanced from her previous position of obscurity in "maid parts" to stardom at one bound. It is easy to recall the pleasure these attractions have given to devotees of Bluebird—the announcement that the Smalleys produced "Saving the Family Name" is advanced assurance of a worthy and purposeful screen entertainment.

GREAT LESSON IN THE PICTURE, "IDLE WIVES"

"Idle Wives," the great new picture of the Universal Film company, as a production conveys precisely the meaning it was intended to convey. Its purpose is to hold the mirror up to society and to promote as far as possible that feeling of democracy that should be more prevalent.

It is founded on the novel of that name by James Oppenheim. An interesting prologue has been arranged for the picture, showing types who go to see it and benefit greatly by the lesson it involves. This necessitates the showing of a picture within a picture, which is always interesting and well-managed.

The film tells briefly of the hopelessness of the outlook for a woman who makes a typical society "match." Her husband loves his stocks and lands far more than he loves her; her children are brought up scientifically by hirelings, and the sole mission of the wife, all her husband requires, is to be idle, and in so doing to be contented.

"Idle Wives" will be shown at the New Daytona theatre tomorrow and Thursday.

COUNCIL TO PRESENT 2 BILLS TO LEGISLATURE

STEPS ALSO TAKEN TO BUILD
300,000 GALLON RESERVOIR AND
TO GET NEW PUBLIC PARK FOR
TOURISTS.

At the regular Daytona Beach council meeting Monday evening, Town Attorney Harry A. Horn received instructions to draft a bill for presentation at the next state legislature, giving the town of Daytona Beach the right to bond for a sum equal to 20 per cent of its assessed valuation of real and personal property. Attorney Horn was also instructed to draft a bill giving Daytona Beach a right to build and maintain an ocean pier, this second bill to be presented at the same time as the first. The clerk was instructed to post notices of the intention to present the bills to the legislature. This notification is required by law.

The council also moved to take preliminary steps toward building a 300,000 gallon or larger water reservoir, and to obtain figures relative to the installation of a softening plant for the city water system. A committee was appointed for the purpose and consisted of Councilmen Vining, Oliver and Thompson.

The council also decided to take steps toward securing a play ground or public park for the winter tourists for the coming winter season of 1917-18, since the site of the pres-

ent park has been purchased and the new owners are going to build.

The bid of Andrew Brachold of \$224 for the building of a coquina rock wall along the L. H. Field property on South Atlantic avenue was accepted as was the bid of Geo. A. Parker of \$49 for the laying of 100 feet of cement sidewalk along the same property. The work will be commenced by the contractors as soon as Mr. Field turns over the property to the town authorities for the ten foot strip which was taken by the town several months ago for the widening of South Atlantic avenue. The proposition of C. W. Raynor as submitted to the council was rejected.

Mrs. Northrup, of Palmetto street, was present at the council session and entered a complaint that her personal tax is too high. The clerk was instructed to go to her home and look over her personal property and then report at the next meeting, when the matter will be satisfactorily adjusted. Bills totalling \$53.78 for necessities were ordered paid after being approved.

Tax Collector Chas. H. Willson reported that \$874.04 in taxes has been collected during the month of January.

Engineer C. M. Rogers was instructed to make a survey and map and profile of South Atlantic avenue from Fifth avenue to the south town line.

The council notified Wm. Petersohn that nothing less than a five foot walk in front of Mrs. Margaret Malloy's property on Harvey street will be approved by it.

Town Clerk Horn received instructions to write the Boston office of the Daytona Public Service company and ask them why the company does not comply with its electric franchise in Daytona Beach, and to explain conditions relative to the case of Mrs.

Oliver and to have them notify the council what they will do and to send a copy of their letter to the Daytona office of the company.

Chairman Bleekman was instructed to ascertain whether the East Coast State bank will handle the funds of the town at the same remuneration as the town treasurer, providing the town abolishes that office.

As no more business was on hand, the council adjourned.

DAYTONA BEACH

The beach friends of Mrs. D. W. Axtell will regret to hear that she is ill at her home on Live Oak street.

L. M. Norwich, of Hartford, Conn., arrived Monday to spend the winter at the beach. Mr. Norwich is usually a regular winter visitor to St. Petersburg, having spent the past eight seasons at that place.

Mr. and Mrs. E. E. Tupper have returned from a two months' visit on the west coast. They left the beach with the plan of making the other side of the state their home. They have decided that the east coast is incomparable and will probably spend the remainder of the season here before going north in the spring.

SEABREEZE

R. H. Lee, Miss Rosina Jacobs, Miss Ida Cuthbertson and C. W. Cook were the members of a merry dinner party at the Clarendon last Saturday evening.

R. H. Lee, of Richmond, Va., is visiting at the home of Mrs. C. W. Jacobs and daughter, Miss Rosina, at their attractive home on Atlantic avenue, Seabreeze.

The Ladies' Aid of the Seabreeze Tourist church which planned to meet at the home of Mrs. Sarah Ainsworth on Ocean avenue, will meet at the residence of Mrs. T. Chamberlain because of Mrs. Ainsworth's illness.

NEW CHORAL SOCIETY TO
HOLD MEETING THIS WEEK
A choral society under the instruction of Mrs. William Redwood Wharton, of Halifax avenue, Seabreeze, will hold its first meeting this week at the banquet hall of the Daytona Beach Methodist church. The evening will be announced later.

The purpose of the society is to increase the interest in this community in singing and chorus work and to provide a source of pleasure to those who love music.

The first meeting was to have been held Monday evening but on account of other things it was postponed until later.

The society is not to be affiliated with any church but will be indebted to the churches of the peninsula for the use of their rooms for practice. The second practice will probably be held at the Seabreeze Baptist church.

Stanley, financial manager; L. H. Rowe, chairman of music; C. E. Gardiner, decorating, Frank Turquist, publicity, Henry Pollitz, advertising, C. P. Miller, floor manager, H. F. Thompson, electrical display.

Mr. Gardner was assisted in the decorating by Jack Norman and Norman Hope, who displayed great skill in the original decorative scheme.

CEREMONIAL MEETING OF SILVER BEACH CAMP FIRE

A beautiful and interesting ceremonial meeting of the Silver Beach Camp Fire girls was held Monday night at the Daytona Beach hotel, on Ocean avenue.

The west part of the spacious hotel lobby was decorated with evergreen, palm-trees and flowers for the occasion and about 50 guests and friends of the hotel were spectators of the camp fire. An hour was devoted to the meeting itself.

Misses Alice Briggs and Frances B. Sparber sang two duets as a part of the evening's program. Rev. Chas. Frederick Goss then gave a fine 15 minute talk on the "Service of the Camp Fire Organizations," and was followed by Rev. John J. Treadwell, who spent a similar time in telling anecdotes about Abraham Lincoln, the greatest American.

FORMER SEABREEZE RESIDENT HERE FOR INDEFINITE STAY

Mrs. Emma Koesperger, a former resident of the beach, who has been living in Boston, Mass., for the past two years, recently arrived in Seabreeze and is enjoying a stay at a local hotel.

Mrs. Koesperger formerly owned a large amount of ocean front property above the hotel Clarendon. On this land were a number of houses which were destroyed by fire nearly four years ago. She still owns several fine lots from her former possessions here. Her friends are all glad to see her again.

OFFICIAL OF AMERICAN PEACE SOCIETY TO SPEAK

Dr. H. J. Hall, a director of the American Peace society, who was in Germany at the beginning of the great war, will lecture tonight at the Seabreeze Baptist church on the subject, "What I Saw in the War Zone." Admission will be free for all who wish to hear this interesting address. The talk will commence at 7:30.

OFFER FREE LOT AT AUCTION SALE

Another auction sale of choice building lots in Ridgewood park will be held tomorrow, commencing at ten o'clock in the morning. S. A. Pierce, owner of the subdivision, proposes to continue these auction sales until he has closed out all his holdings, as he has reached an age where he wants to retire from active business and take life more easily. Mr. Pierce is his own auctioneer, but is assisted by Ledyard Anthony, of Jamestown, R. I., who claims the distinction of being the youngest licensed auctioneer in New England, as Mr. Pierce is probably the oldest.

A lot is to be given away absolutely free at this sale in addition to gold coin and many other valuable presents and everyone attending the sale, whether a bidder or spectator, will have a chance to obtain this lot. Mr. Pierce will also offer at auction six lots in Holly park, a small subdivision on Ridgewood avenue just north of Ridgewood park. This is all good property and a perfectly safe investment and can be purchased on easy terms. It is difficult to see how anyone looking at this property can fail to see its advantages in the way of location, perfect drainage, etc. Bingham & Thompson, of 174 South Beach street, are agents for the property and any information concerning the subdivision or the sale to be held tomorrow may be obtained by applying to them.

ST. VALENTINE SALE NETTED NEAT SUM

HOTEL ORMOND, Feb. 12.—The result of the St. Valentine sale for the benefit of St. James Episcopal church, which was held in the rotunda of the Ormond hotel, and for which the Ormond orchestra played during the afternoon and the tea hour, resulted in a very nice little sum being raised for that church of nearly a thousand dollars. All donations are not in yet, but it is safe to say that at least that amount will be cleared. Much praise for the very successful manner in which the fair was conducted is due to all the ladies of the Ormond hotel, but particularly to Mrs. F. Pares Osborn, of New York City, for her untiring work.

A party of Hotel Ormond guests—who do not care to have their names mentioned—went on a moonlight picnic to the inlet last night, where an enormous bon fire was kindled on the beach, steaks and chops were broiled, delicious coffee was made, potatoes were roasted in the ashes and after partaking of the same the party returned home by auto. These picnic lunches and rides are becoming very popular.

Madame Arturo de Heeren is a distinguished visitor at the Ormond hotel, being the guest of Mrs. John Wamamaker, of Philadelphia, who is spending the winter here.

Mr. and Mrs. David Carll, of New Rochelle, N. Y., and Mrs. S. Cowan, of New York City, will make an indefinite stay at the Ormond.

Mr. and Mrs. Geo. E. Marcus, of New York City, former valued patrons of the Ormond, have arrived for a season's stay.

An auto party from Boston, Mass., who arrived at the Ormond for the weekend is composed of Mrs. A. J. Tower, Miss Gertrude Tower and Miss Alice Tower. They declare the roads to be in fine condition, and are delighted with Ormond Beach—which is such a remarkable speedway for autos.

Another party of former valued patrons who have arrived in their auto, and who will remain for the remainder of the season, are Henry W. Barrett, Mr. and Mrs. Wm. Heyburn and Miss Ebba White, of Louisville, Ky.

Mr. and Mrs. J. H. Reilly and Miss Reilly, of Philadelphia, Pa., have arrived at the Ormond for a few weeks visit.

Wm. H. Mercer, of Pittsburgh, Pa., has joined Mrs. Mercer, who has been at the Ormond since January 17th with her father, J. Z. Speer, of Pittsburgh. Mr. Speer has spent many seasons at the Ormond.

Mr. and Mrs. F. J. Orth, of Irwin, Pa., are registered at the Ormond.

Mr. and Mrs. R. A. Jackson, of Baltimore, Md., have arrived at the Ormond and will remain for the season.

Mrs. Edward Doyering, of Taunton, Mass., and Mr. and Mrs. W. C. Fish, of Lynn, Mass., have arrived at the Ormond for the remainder of the season. Mr. and Mrs. Fish are friends of Wallace Phinney, of Lynn, who has spent many seasons at the Ormond. He was waiting to greet them upon their arrival. They are delighted with Ormond.

Mr. and Mrs. Chas. Briggs and daughter, Miss C. R. C. Briggs, of Providence, R. I., were warmly received last night upon their arrival at the Ormond hotel by their many friends. They spent last winter here, and Miss Briggs is a universal favorite with the young social set. They will remain for the season.

E. K. Ream, of Johnstown, Pa., is registered at the Ormond.

ORMOND-CLARENDON GAME WEDNESDAY

The Hotel Ormond base ball team will play the Hotel Clarendon team from Seabreeze, next Wednesday afternoon at 3:15 on the Ormond diamond. Lanning Harvey, the famous Wilkesbarre, Pa., umpire, who is at present a guest at the Ormond, will officiate during the game.

Education Not Worth While.
"You can't make me believe a college education gets you anything," said the young man who had won two medals for fox trotting. "Still I always thought college fellows was awful swell," replied the girl. "Nothin' doin'! We got one of them in our office that always says 'whom' and 'notwithstandin', and say, I heard the boss callin' him down today the worst I ever seen. What's the use knowin' them kind of words if you can't talk back?"—Judge.

Use All the Brain Cells.
Men go to the human junk pile because their one set of brain cells becomes exhausted, and they have neglected to train and use the millions of others. There are those which show us the humanness of life, those which prove to us the beauty of nature, those which will suddenly convince us of the infinite powers around us; those which will start us dreaming of big things and cause us to accomplish them.

Lending and Borrowing.
Lend not beyond thy ability, nor refuse to lend out of thy ability; especially when it will help others more than it can hurt thee. If thy debtor be honest and capable, thou hast thy money again, if not with increase, with praise. If he prove insolvent do not ruin him to get that which it will not ruin thee to lose; for thou art but a steward, and another is thy owner, master, and judge—Penn.

Thinking Not Necessary.

WILBUR BY THE SEA

WILBUR-BY-THE-SEA, Feb. 12.—Among the recent arrivals at the Toronita hotel are Mrs. Edward L. Anderson and maid, Cincinnati, Ohio; Mr. and Mrs. C. L. Hyde, Buffalo, N. Y.; Mr. and Mrs. G. D. Schemmerhorn and Miss Elizabeth Schemmerhorn, Reading, Mich.; Dr. D. W. Fenton, Mrs. Wm. Pudeaux, Master Tom Pudeaux, Hillsdale, Michigan, Mr. and Mrs. W. D. Hinkley, Warren, Pa.; Mrs. J. R. Emmett, Newton Highlands, Mass.; Mrs. N. T. Neal, Walton, N. Y.; Mrs. E. T. Ingalls, Lynn, Mass.; Mrs. S. O. Foaker, Orbisonia, Pa.

Among the prominent people being entertained at the Toronita hotel are Mr. and Mrs. C. L. Hyde, of Buffalo, N. Y. Mrs. Hyde is prominent in social circles. Mr. Hyde is a member of the firm of Hyde Bros., who are considered to be among the most enterprising real estate brokers in Buffalo. These delightful people are particular friends of the Curtis family who are season guests here.

J. W. Wilbur, the founder of Wilbur-by-the-Sea, will leave Tuesday, for a business trip to Boston and other eastern cities, to consult his architects and engineers relative to the enlargement of his holdings here. Wilbur-by-the-Sea and the Toronita hotel have surpassed even his fondest expectations and at present the demand for accommodations and cottages is far in excess of the supply. Mr. Wilbur will return at his earliest convenience.

A congenial auto party consisting of Mr. and Mrs. N. E. Emmons, Mrs. Clara Brown, Miss Marjorie Brown, and Harold Whidden motored to Deland and other points Sunday.

Up-to-Date Business System.

No longer is it regarded as good management to count uniform pieces one by one in manufacturing plants. Scales especially constructed for the purpose are now being employed for counting material of like units. Not only is the weighing machine more accurate because it substitutes simple manual operation and the highest degree of mechanical precision for the complicated mental figuring and inaccuracies of other systems, but it counts from 100 to 1,000 per cent faster than the time-worn methods.

Some scream — some laugh

Can't Get Ahead of Plumber.

"Hey," asked the wrathful customer over the telephone, "what do you mean by charging me overtime in your bill? You didn't put in any overtime on my work." "Yes, I did," replied the plumber, soothingly. "On that evening when you kept me waiting while you told me what you thought of me for putting in a full day on a two-hours' job."

Gave Some Warning.

Wife—"Well, dear, I shall have to do the cooking now. Cook left without warning this afternoon." Band—"Not exactly without warning. She told me this morning I had better bring some dyspepsia tablets, but I didn't quite understand what she meant."

DAYTONA BEACH

TITUS PUTS ONE OVER ON COHAN & HARRIS

MANAGER TITUS OF NEW DAYTONA THEATRE MAKES THEATRICAL FIRM CANCEL ENGAGEMENT HERE.

The following story from the Daytona Beach News-Journal of February 9 shows how Cohan and Harris, the well-known theatrical managers of New York City, failed to put one over on Mayor H. T. Titus, when it came to an engagement date with him after he had received their contract.

The article has a two-column lead: "Cohan and Harris, known as 'Max Wherret' to Cohan and Harris, are as follows:

"It has remained for a manager in Daytona, Florida, to reach the experienced Messrs. Cohan and Harris, a few tricks in theatrical manipulation. Cohan and Harris had booked for February 16, at the theatre in Daytona, 'It Pays to Advertise.' It happened that H. T. Titus, the local manager, had absent-mindedly booked also 'The Birth of a Nation' at his house on the same date and the following day."

"Mr. Titus, therefore, asked to cancel 'It Pays to Advertise' and Cohan and Harris, being well within their contract, refused. Then came the following letter from Titus:

"Gentlemen: Following our telegram to you today relative to cancellation of 'It Pays to Advertise,' which to say that all contracts generally contain a two weeks' cancellation clause, but we find that yours has no cancellation clause.

"Now, in regard to playing your show, since sending you this cancellation and your refusing to accept the cancellation, like any other corporation would under the existing circumstances, there is nothing in your contract which prevents us from making you the following price scale, therefore, being that you insist on playing this town regardless of the cancellation, we will play you, but assure you that we will only handle your show as to make it a loss to you."

"We would advise you not only to play this city, as we will make the rate simply to keep ourselves within

the wording of the contract. We have written Cohan & Harris as we are willing to make the rate on playing as follows: First night, at 3 o'clock, 50 cents; at 7 o'clock, 75 cents; at 10 o'clock, 1.00; at 12 o'clock, 1.25; at 2 o'clock, 1.50; NEWS OF THE HOTELS

Ernest Dub has returned from a brief business trip to Buffalo and has again joined Mrs. Dub at Schmidt's hotel for the season.

W. W. Perkins, V. Neuberger and A. I. Moore, who are guests at Schmidt's hotel, were among those noted on the Clarendon links yesterday.

Mr. and Mrs. J. C. Spargut, of Hillsboro, O., are pleasantly domiciled in one of the Princess Issena cottages for the remainder of the season.

Coming from Portsmouth, O., to spend the remainder of the season in Seabreeze, Mr. and Mrs. John Peebles are guests at the Princess Issena.

Among the jolly arrivals at the Hamilton for a few weeks are Mr. and Mrs. W. H. Hobart, Mr. and Mrs. A. T. Spitzer and Mr. and Mrs. Phillip, all of Medina, Ohio, and are friends of Mr. and Mrs. Condit, of Palmetto avenue.

Mr. and Mrs. H. K. Hoblet, guests at the Princess Issena, are spending many of their mornings on the hazardous golf courses and are adept players.

Mr. and Mrs. George A. Upton, of Boston, Mass., were interesting arrivals at the Princess Issena Sunday, where they will spend the next fortnight.

Mr. and Mrs. John Leslie, with their little son, J. C. Leslie, of Minneapolis, Minn., have taken one of the Princess Issena cottages for several weeks.

F. C. Barker, of Bemis, one of the best known hotel men of Maine, was a prominent guest at the Prince George Sunday en route north from Miami.

Friends of Mrs. W. R. Milward, of Lexington, Ky., who is a guest at the Seaside Inn, will regret to learn that she is confined to her room on account of illness.

Wright Hilyard, accompanied by Maynard C. Froenke and Roy H. Frog motored from Winter Park yesterday and were among the guests at the Elks' Charity Ball last night.

Mr. and Mrs. C. B. Shafer, of Washington, D. C., who were week-end guests at Schmidt's hotel, have gone to Stuart to visit their son and will return in two weeks for a stay of some length.

A. D. Taylor, of Cleveland, Ohio, who is in charge of the landscape architecture department of the Ohio State university, left last night for the north after a tour of Florida which included a several weeks' stay at the Princess Issena.

Mr. and Mrs. Chas. Eggers arrived at the Bennett for the season. He is one of the largest building contractors in the western part of Pennsylvania. He is also an officer, director and large stockholder in a national bank at Uniontown, Pa.

Sir James Larrons, of Glasgow, Scotland, and party of five, who are touring the state, made a short stop at Daytona and registered at the Oaks. They were so favorably impressed with Daytona and its attractions that they made reservations for re-arriving on Wednesday of this week for a long stay.

Mr. and Mrs. N. R. Thompson, of Janesville, N. Y., and Mr. and Mrs. W. D. Andrews, of Minneapolis, are spending a short time at the Oaks. The party were guests at Manatee Howard's hotel at St. Petersburg last winter and followed him here because of his congeniality and ability as a host. They are very much impressed with Daytona, and will make a longer stay than they first expected.

Mr. and Mrs. John Brenner, of Youngstown, Ohio, are registered at the Hamilton for the season. This is the second season Mr. and Mrs. Brenner have spent at the Hamilton. Their son and daughter will follow later for the remainder of the season.

Mr. and Mrs. Isaac Marks, of Charleston, S. C., who are guests at the Seaside Inn, are visiting Daytona Beach for the first time because of the alluring descriptions of the resort sent them by friends and think it even more attractive than pictured.

A gaily informal dinner party at the Seaside Inn Sunday night was composed of Miss Dorothy Caldwell, Miss Grayce Caldwell, Miss Margaret Caldwell, of Philadelphia, Pa., and Mr. and Mrs. R. Stevens, Miss Rebecca Stevens, R. E. Stevens and John Russell, of Sanford.

In a party who motored to the old Sugar mill Sunday for an oyster roast were Mrs. M. E. Youlin, Mrs. W. W. Hilyard, Mrs. H. A. Totten, Paul Justice, and M. L. O'Brien. Before a blazing fire oysters were roasted and a dainty luncheon spread gypsy fashion on the ground. After a memorably enjoyable day the party returned late in the afternoon.

Riding is a popular diversion with the younger set at the Prince George and there are many horseback groups noted on the pretty trails around Daytona every day. Miss Virginia Kelsey, Miss Katurah Stokes, Mrs. Thomas Dunn, Mrs. Hitchcock, Banta Hilyard and Mr. Davis were a party riding on the Ormond trail Sunday.

Mrs. M. E. Youlin entertained informally at luncheon at the Prince George yesterday. The table was attractive with a centerpiece of vivid nasturtiums. After luncheon the group enjoyed several rubbers of auction. Enjoying Mrs. Youlin's graceful hospitality were Mrs. Harry Pence, Mrs. E. F. Osborne, Mrs. Harriet Caswell and Mrs. J. O'Brien, all of Minneapolis.

Arriving at the Despland on Sunday were Mr. and Mrs. Richard Haggood, of Belmont, Mass., who are making their first visit to Daytona for several years. The Haggoods are very delightful people and have been coming to Daytona since the days when C. O. Chamberlin so splendidly conducted the Palmetto house on South Beach street. Mr. Haggood is a prominent railroad man of Boston and is a

railroad official for the Boston Consolidated railroad which operates elevated lines in fine needlework effect over the large territory of Boston. The Haggoods will remain until the close of the season.

BEAUTIFUL FUR DISPLAY**AT THE PRINCE GEORGE**

For the past two days the sun parlors of the Prince George have had more than their share of popularity because of the display of beautiful furs being exhibited there by Canute Pahlone, of Jackman's, New York. Cleveland and Paris. Furs in Florida! But these, you see, are summer furs—wonderful stoles of fox, white and

red, mole, seal and a half dozen others that must have been inspired by a smart sport suit or a bit of flimsy daintiness masquerading as an afternoon frock. It isn't possible to describe the lovely things—they are all together too beautiful and oh! so desirable! The white fox ones would be ravishing with an evening wrap or a tailleur and the other stoles have each their own reason for having been created.

Daily Thought.

The greatest success is confidence, or perfect understanding between mere people.—Emerson.

BETTY BURNHAM'S CLEVER SOLO DANCE

Preceding the dance at the Clarendon Saturday night, Betty Burnham, the little grand-daughter of Mr. and Mrs. J. E. Kendry, of Petesboro, Ontario, who are season guests at the hotel, gave an interpretive solo dance, "The Song of the Robin." With Elfin grace little Miss Burnham interpreted for her audience the story of a child at play with a robin, with a spontaneity that was the incarnation of the music. Her gestures and movements were perfectly natural and unstudied, and her poise notable. For an encore she gave "The French Doll," a characteristic solo dance. Betty is a pupil of Miss Delta Boice. Saturday night Miss Boice will give a recital, which is being anticipated with much pleasure.

Mr. and Mrs. Stockton Broome, of Jacksonville, accompanied by Mr. and Mrs. H. E. Freeman, of Springfield, Ohio, motored to the Clarendon Sunday for a several days' stay.

Season guests at the Clarendon are welcoming Mr. and Mrs. C. J. Gibson, of Utica, N. Y., who returned Sunday. For many years Mr. and Mrs. Gibson have wintered at the hotel and are popular figures in the resort life.

Mrs. A. H. Rice and Mrs. E. A. Jones, of Pittsfield, Mass., with Miss Thompson, of Hartford, Conn., were among the Saturday arrivals at the Clarendon, coming for a several weeks visit.

Edward L. Stowe, accompanied by nine guests, motored over for lunch at the Clarendon Sunday, returning to DeLand late in the afternoon.

Miss Marion Knight gave an informal concert at the Clarendon Sunday night. Miss Knight's beautiful soprano was heard to advantage in her well selected numbers and her audience demanded several encores.

Mr. and Mrs. J. S. Craig, of Pittsburgh, Pa., had as their guests for a motor trip and luncheon at the Clarendon Sunday, Miss Margaret L. Free of Pittsburgh; Mrs. Matchew and Miss Matchew, of Pittsburgh.

Miss Helen Johnson entertained a group of the younger set at the Clarendon with a picnic to the Inlet light Sunday, her guests being Miss Margaret McCarty, Miss Esther Hubbell, Miss Nancy Zahner, Miss Annette Taussig, Miss Pauline Fryburg, Miss Lora Johnson, W. A. Knight, R. N. B.

Fay, Leon Slack, Leroy Soher, N. L. Lucius and Mr. and Mrs. Johnson, who chartered the party. The trip was made in Miss Johnson's and Leroy Soher's cars and the group enjoyed a dainty picnic luncheon spread under the trees.

Miss Ruth Crosby, of St. Paul, Minn., who with her parents, Mr. and Mrs. Oliver Crosby, is spending the winter at the Clarendon, is one of the most charming and popular members of the young contingent and her winsome personality is an important factor in the gaieties of her set. Miss Crosby does a number of things well, including dancing and driving her own car, which she is exporting this week.

The Clarendon has been very nice all week and many automobile parties have enjoyed their week-end visits. Among those who arrived Sunday were Mr. and Mrs. W. K. Jackson.

A party of Greenwell, Cuba, is a popular addition to the group at the Clarendon. Mr. Greenwell is a student at the University of Chicago.

Mr. and Mrs. W. F. Brown, Jr., of Miami, Fla., are expected to arrive Sunday. Mr. Brown is a student at the University of Miami.
